

## Main Street Program: Updated Davis Polk Memos

By [The Davis Polk Government Support for Business Task Force](#) on June 12, 2020

POSTED IN [CORONAVIRUS \(COVID-19\)](#), [FEDERAL RESERVE](#)

We have updated our [visual memo on the Main Street Program](#) and our [memo on the legal architecture of the Main Street Program](#) to reflect the expansion of the program and the revised program documents that the Federal Reserve announced this week. The visual memo provides an overview of the program's structure, background and key terms. The legal architecture memo provides lenders and borrowers an overview of the intricate Main Street contracts, certificates and other documents.

Visit Davis Polk's [Government Support for Business](#) page for more information on the Main Street Program and other federal programs.
